

I support media diversity

I am writing to you today to oppose any changes to Docket No. 02-277, The Biennial Review of the FCC's broadcast media ownership rules. The FCC must retain all of the current media ownership rules or democracy will not survive. Democracy cannot survive without a truthfully informed electorate and we are seeing far too many of the danger signals already in existence. Corporate greed or capitalism run amok is the crux of the whole matter. Changing the ownership rules under the Orwellian soundbite of diversity is no more than a "WALMARTing" of the media. I beg of you to demand more public hearings across this nation!

Sincerely,

Kay L. Hoff
